

# Green Bean Casserole

## INGREDIENTS

10 oz. cream of mushroom soup  
28 oz. French style green beans  
6 oz. crunchy fried onions  
1/2 tsp black pepper  
1 TBSP garlic, minced

## TOOLS NEEDED

8x8 casserole dish for oven

## DIRECTIONS

Preheat oven to 350 degrees.

In baking dish, combine all ingredients EXCEPT for the fried onions.

Bake for about 15 minutes, or until the soup bubbles.

Stir casserole and then top with fried onions.

Bake for additional 5-10 minutes, being careful not to burn the onions.

***Superhero Tip:*** Add cooked bacon to the mixture before baking. Everything is better with bacon. Everything.

***Second Superhero Tip:*** Instead of using a canned soup, check out my recipe for slow cooker cream of mushroom soup.
