

# Sparkling Orange Punch

## INGREDIENTS

2 cups orange juice, no pulp  
2 cups pineapple juice  
2 liters lemon-lime soda (**not** diet or sugar free versions)  
1/3 cup sugar (optional)

## TOOLS NEEDED

Large pitcher

## DIRECTIONS

In large pitcher, combine orange juice, pineapple juice, and lemon juice. Stir until well combined and place in refrigerator until chilled. When ready to serve, add chilled lemon-lime soda to juice and stir gently. Pour into glass with ice and garnish with orange slice.

**Superhero Tip:** This is a tart drink and requires the sugar in the soda to make it sweet. You can add extra sugar until it is as sweet as you desire.

Second **Superhero Tip:** Serve this in a martini glass because those are fun to sip from!
